

STABLE SHIELD

PRODUCT INFORMATION

A heavy duty, hard surface germ fighting LIQUID CLEANER & DISINFECTANT

A premium quality, concentrated, heavy duty germ and insect fighting liquid cleaner. Contains no solvents or soaps. Ideal for stables, sheds, trucks, floats and any hard surface areas requiring cleaning or disinfecting. Stable Shield can be safely used on any hard surface.

- Multi Purpose - cleans and disinfects stables and all flooring and hard surfaces including feed rooms, wash bays, crushes, floats, trucks and vet rooms - as well as kitchen and bathroom areas.
- Safe - contains no solvents or soaps.
- No residue - works efficiently in hard or soft water and rinses freely to leave no residue.
- Non toxic - harmless to paint, rubber, fabrics or glass. Can be used on any hard surface.
- Potent Germ Killer - as little as 3ml per litre (one part in 1000) kills a wide range of disease causing bacteria.

DIRECTIONS FOR USE:

Stable Shield is a universal cleaner designed for regular maintenance procedures. Usage is dependant on the degree and type of contamination.

*Light duty cleaning - 3mls per litre
Medium duty cleaning - 6mls per litre
Heavy duty cleaning - 12mls per litre*

PREMIUM QUALITY, GENTLE INGREDIENTS, DELIVERING SUPERIOR RESULTS. When you use an ePro product, you are using the very best in all aspects of performance and responsibility.
